Hardstyle DJ & producer from Bergen, Norway

BITCRUSHR started DJing in 2009, moved into hardstyle production in 2019 and put out his debut release in 2021. His sound is rooted in euphoric melodies and hard-hitting modern kicks, with emotional depth and explosive energy in the same track.

His sets are built as journeys: fresh edits, unexpected bootlegs and moments made for the specific event, including widely recognised bootlegs of **Kjartan Lauritzen**, **Blümchen** and **DJ Sammy**. He has played across Norway and in **Denmark**, **Finland** and **Estonia**, streamed a set for **Hardstyle Bizznizz** in the Netherlands, and was one of the first DJs to bring a full hardstyle set to Norwegian national radio, live on **Klubblisten**.

He releases on **Hard Alliance**, a label focused on the next generation of hardstyle talent, and is a key figure behind **Bergen Hardstyle**, the organisation behind the Hardstyle Euforia event series, and composed the official anthem for **Hardstyle Euforia IV**.

The sound

Big euphoric melodies over hard-hitting modern kicks. Melody, nostalgia and power, carried from his own productions into the edits and bootlegs that make each set his own.
